United Photographers International – UPI is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, UPI brings together professional and amateur enthusiasts of all ages and levels of achievement. As a non-profit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, study groups via mail and the internet, how-to programs, an annual conference and a raft of other activities and services.

The Royal Photographic Society has awarded patronage to the organisers of this International Exhibition of Photography. In recognition of this, Royal Photographic Society medals are awarded.

The Royal Photographic Society is the world's foremost photographic society. It was founded in 1853 to promote the art and science of photography and has a worldwide membership. The Society's aims are realised through the organisation of over 300 events a year, workshops and courses, international exhibitions and The Society's distinctions and qualifications, which are internationally recognised as measures of excellence in photography.
